MACSIMIZER® HD

HEAVY-DUTY • DYNAMIC HANDLE LATCH
440LB DRAWER CAPACITY • EXPANDING CAPABILITIES

Macsimizer HD is the heavy-duty line of professional tool storage for those who need uncompromised strength. The modular design allows the user to expand and customize their Macsimizer HD setup with the addition of the optional hutch, side boxes, and cabinets.

Technicians specializing in large equipment and other demanding applications will appreciate the industrial roller drawer slides with 440lbs. capacity per drawer (8,000 lbs total workstation capacity), standard stainless steel worksurface, and PowerTech drawer with repositionable tool holders.

The hutch is equipped with stainless steel pegboard, parts bin holders, integrated motion-sensitive LED lighting, dual power strips, and more.

Available add-on accessories:
Hutch, Side Box, Side Cabinet, Top Side Box, Top Side Cabinet

TECH

MADE IN USA WITH GLOBAL MATERIALS

MID-LINE • DOUBLE-WALL CONSTRUCTION
STANDARD MTO CAPABILITIES • FULL EXPANDING CAPABILITIES

The Mac Tools® TECH™ series tool boxes are built tough to meet the needs to professional technicians. Available in mid-range sizes from 34" to 67", and a 25" depth, these boxes offer optimized capacity for a growing business and experienced technician. With 125/250 lbs. drawer capacities, 1,200 lbs. casters, and optimized attachments and add-ons like Side Boxes, Side Cabinets, Top Hutches and Top Chests, the Tech series is built for expandability as a tech grows in his or her career.

Like the MACSIMIZER® series, the TECH™ series can be fully customized with different powder coated finishes, anodized trim and badge options, and custom drawer configurations to suit the needs and reflect the personality of its owner.

Available add-on accessories:
Hutch, Top Chest, Locker, Side Box
